

# Buying & Sizing Guide For Hilltop Primary

**When to Buy: End of July or Early August** This allows your child to grow a bit more – so you will have the right size, and will last them the year.

**What to Buy: 1 or 2 Sweatshirts/Cardigans** We advise 2 – so that you have 1 for wear/1 for wash

What you need is highlighted on the price list in **RED** – all other items are optional.

**Sizing:** New Starters, for cardigans & sweatshirts usually always have a size 5/6 The size 4/5 (24”) is **VERY** Small and we only advise this size if your child is currently wearing a size 2/3

The PE Shorts, are elasticated and are generous so stick to the age that they are.  
The PE T-shirts and Poloshirts are slightly generous – so if you want them to last longer, we advise the 5/6 size (these are optional, as you can have plain)

## **Current Children:**

Due to your child not being in school for quite a while, it may be that they have grown considerably so you may need to go up two sizes, so we would advise to measure their chest and for example if they measure 30” then order the 32” (9/10)

## **Returns:**

Returns & Exchanges will be accepted as long as all items are in their original packaging and with tags.

**We can not accept items back, that are not in any packaging.**

Please contact us before return/exchange as we will not be able to do this at our Collection Station – so that we have time to prepare your exchange.
