How to Size/Measure:

Measure your child across the chest in inches.

Blazer:

If your child measures 28” on the chest, then order the 30” etc. This allows for growth for the next year, and in winter when they wear the sweatshirt under the blazer.

Skirt:

Measure your child around the waist at the slimmest part, so if they measure 23” then order the 24” as they have a part elasticated waist band.

Sweatshirt:

If you are coming from a primary that we supply, then just order the next size up to what they were currently wearing in July.
